The Jubail Island development will be an idyllic collection of villages located between Yas Island and Saadiyat Island and the next major landmark for premium residential living in Abu Dhabi. With coastal views, mangrove forests, and a central location, the community development has been highly anticipated by UAE nationals and expatriates alike and will be home to 10,000 residents within the next four years.

Nasser Al Awadhi, Group CEO ADIB, said: "This facility demonstrates ADIB's growing ability to finance large scale projects which play a major role in the economic development of the UAE. It also evidences the results we are achieving through stepping up our corporate financing activity, with a particular focus on high-growth companies in the UAE. We expect this part of our business to continue to grow significantly.

"It was a pleasure partnering with JIIC to help bring their project to life and open up new frontiers in Abu Dhabi." Jubail Island project will cater to the lifestyle requirements of Abu Dhabi residents as they will be able to enjoy luxury in the heart of scenic landscapes," added Nasser Al Awadhi

Commenting on the transaction, H.E Hamad Rashid Al Nuaimi, Chairman of JIIC's Board of Directors, said: "We are delighted to have secured financing for the first phase of development for Jubail Island and would like to thank ADIB for their continued support. The contract signing reinforces JIIC's commitment in developing a landmark destination and a premier community in the heart of the capital and is a clear indicator of the stability of the Abu Dhabi real estate market.

Having already sold 95% of the residential units to date, we are pleased with the high demand and interest from buyers and investors and look forward to continuing our partnership with ADIB as we maintain our promise in bringing a landmark destination to the capital."

Jubail Island will cater to a variety of buyers tastes and preferences, offering thirteen different types of villa models with various designs. The project will offer a range of shopping, dining, entertainment, and recreation facilities including a beach club, a business centre, a sports centre, schools, supermarkets, nurseries, a community club, specialised clinics, and other commercial establishments.
